To

CEO,
Sikshana Foundation
Bangalore

Respected Sir,

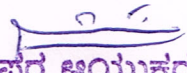

Sub: Extension of Sikshana's Program in schools of Dharwad district

Thank you for joining us in our efforts of ensuring quality education to every child in government schools. Your intervention in Kalghatagi taluk over the last three years has enhanced the learning levels among children across the schools.

Starting this year, your efforts in Navalgund, Kundgol and Hubli-Dharwad taluks are showing promising results. In this context, we would request you to continue the same in the present schools and also to extend it to other government schools in the entire district of Dharwad and Bijapur.

Thanking you,

With best wishes,
